

DOUBLE HELIX ROD - LUNA 2.1 OPAL - 1 ROD

Double Helix rods are 30cm in length, between 5mm and 6mm in diameter and have been tested compatible with Effetre Moretti COE104 clear. They are sold by the piece

Luna is a striking color so work hot, cool and reheat to develop purples, pinks, and blues. We had the best results reheating for 10-15 seconds in the tip of the flame.
