

CRICUT LIGHTGRIP MACHINE MAT 30,5 X 30,5 CM

The LightGrip Mat is perfect for standard paper, light cardstock, vellum, and more. Carefully engineered for a wide range of lightweight materials, it holds your material in place as it's cut and makes it easy to cleanly remove finished pieces once a cut is complete. Each mat is formulated for the best possible adhesion and longest possible life. For use with Cricut Maker® and Cricut Explore® cutting machines. Tips: Keep the clear film cover on the mat when storing to keep mat free from paper scraps and dust.

Use the scraper to scrape away excess pieces and the spatula to carefully remove cut images.

To ensure the best performance, use the recommended material types on the mats. **Features**
