

CUTTER BLADES RAZAR BLACK 9 MM TAJIMA - 10 PCS PACK

The **Tajima Razar Black** represent the top of the line blades from Tajima. In addition to the features of classic blades, they present the following peculiarities:

- Fluoro Coat non-stick and anti-rust protection, which guarantees a more precise cut.
- Special sharpening that makes them perfect for engraving on leather, drywall, polystyrene, tarred sheaths, and similar materials.
- Sharp sharpening angle for a particularly deep cut.
- Package of 10 blades, 9 mm in size, and 0.4 mm thick.
