

## SET OF 5 SILICONE-TIPPED BRUSHES

**Set of 5 silicone-tipped brushes**, versatile tools for painting, drawing, and design. Ideal for a wide range of artistic applications, they can be used for applying masking liquids, mixing colors, creating graffiti (such as paint on glass to reveal the original surface), and painting with heavy mixtures like acrylics and oils. The flexible tips, made of a special silicone compound, allow you to apply color, shape, model, and blend with precision. Perfect for shaping clay, plasticine, and other modeling pastes. The set includes 5 different shapes: cone, whistle, claw, wedge, and knife.

- **Length:** approximately 26 cm
- **Tips:** 5 assorted silicone tips (cone, whistle, claw, wedge, knife)
- **Use:** Ideal for painting with acrylics, oils, and for shaping clay and modeling pastes
