

## BREDA TWO-WHEEL GLASS NIPPERS

The Creator's Breda Mosaic Nippers are designed to cut glass and tiles more easily, quickly, and accurately. Ideal for sheet glass, smalti, Venetian glass tiles, ceramic tile, and small porcelain tiles up to 5 mm thick, they combine high cutting force, ergonomic handling, and long-lasting performance for mosaic work and stained glass applications. **Key features**

- Delivers 5 times the force of regular nippers for easier cutting
- Ergonomic wrist angle helps reduce stress and discomfort
- Reversible design suitable for both left- and right-handed users
- Rubber grip helps prevent pieces from flying while nipping
- Lightweight construction for repetitive use with less fatigue
- Wheel indexing system helps extend wheel life
