

CREATOR'S THUMBONIE GRINDING ACCESSORY

The Creator's Thumbonie is an ergonomic glass grinding accessory designed to improve comfort, safety and precision. Side ventilation openings help reduce heat buildup during use, while the included rubber O-ring keeps the glass securely in place while grinding. Ideal for extended grinding sessions, it combines comfort and functionality without compromising control. **Key features**

- Ergonomic design for comfortable handling
- Improves control during glass grinding
- Side vents help reduce internal heat buildup
- Rubber O-ring helps secure the glass
- Suitable for extended periods of use
- Enhances comfort and safety while grinding
