

VEG TAN LEATHER BENDS NATURAL COLOR

Vegetable tanned in Italy, natural color leather bends. Also known as **croupon**, the leather bend is the strongest part of the animal. It is uniform and with a regular shape.

Perfect for many kind of projects where strenght is fundamental, such as belts, *saddles* or horse accessories.

Approx dimensions:

Single bends: 140/150 x 120/130 cm

Double bends: 70/ 80 x 120 / 130 cm

Since each animal is different from the other, the measurements are approximate.

This article is sold to the piece, with irregular edges.

Please note: The picture is only an example
