

BULLSEYE 1442-30F - NEO LAVANDER D.RLD 3MM TRASP

Premium handmade Bullseye glass is ideal for high-quality kiln work. Specifically formulated and tested for compatibility, this glass withstands multiple firings for complex projects without devitrification. The flatter double-rolled surface minimizes bubble entrapment, so colors can be layered for custom hues. A subtle "catspaw" texture allows modest light transmission when used in stained glass projects, creating an organic look.

Thickness: 3MM

Bullseye Code:

001442-0030F

Please note: Photo above is a general representation of glass colors. Colors may vary. Sizes are Approximate.
