

## MILLEFIORI MURRINE HIGH CUT TRANSPARENT RODS

Murrine or millefiori are among the most iconic glass products originating from Murano Island, Venice. They are created by fusing bundles of colored glass canes that are stretched to the desired diameter and then hand-cut into decorative pieces. These "codette" are tall-cut millefiori, ideal for adding dimensional decorative details in glass fusing, mosaic and artistic glasswork. Transparent version compatible with

Murano glass COE 104. **Key features**

- Original Murano glass Millefiori murrine
- Tall-cut codette for dimensional decorative effects
- Transparent version
- Compatible with COE 104 glass
- Suitable for glass fusing, mosaic and lampworking
