

## STUBAI 7010 - HSS BOWL GOUGE

Stubai turning tool, made in Austria.

- For making bowls, also suitable for working against the grain. The special shape allows for quick removal of shavings and prevents the tool from getting stuck in the wood during turning operations.
- High quality polished HSS steel for enhanced stability and resistance during use
- Ergonomically shaped Alder wood handle, with a length of 400 mm
- Total length: 650 mm
- Width: 8 mm
