

STUBAI 7022 - HSS SCRAPER ROUND NOSE

Stubai turning tool, made in Austria.

- Used for working across the grain in the creation of plates and bowls. It is usually used when the first stages of work have been completed with spindle or bowl gouges to obtain a smooth finish on the surface.
- High quality polished HSS steel for enhanced stability and resistance during use
- Ergonomically shaped Alder wood handle, with a length of 300 mm
- Total length: 490 mm
- Width: 12 mm
