

UNICO INFINITO MINI QUILL SYNTHETIC BRUSH 855 SERIES

Incredible softness, extreme absorbency.

- For watercolor and all the diluted techniques. All the properties of Unico Infinito but in mini sizes:
- Iconic flame tip in patented Hidro® fibre.
- Three brass wire binding to use the entire reservoir of the tip, while maintaining the compactness.
- Precise in small size: ultra fine tip and generous stroke under pressure.
- Very slow release of water and color.
- Extreme control of the painting gesture and of the brushstroke, at the tip and under pressure.
- For the thin line, dot, hatch and small backgrounds.
- Lightweight, handy, slim, solid: for daily use.
- Ideal for small formats, plein air and urban sketching.
