

CANDLE FRAGRANCE OIL - BLOOD ORANGE & TEAK

Let yourself be enveloped by the rich and fascinating aroma of the "Red Orange & Teak" fragrance. This fragrance opens with the vibrant notes of red orange and lemon zest, an explosion of citrus freshness reminiscent of a summer morning in a red orange orchard. Accents of eucalyptus and white pine add a touch of airy liveliness, transporting your senses to an untouched forest. The middle notes of cinnamon stick and clove bud introduce a spicy warmth, while balsam fir adds an element of woody sophistication. These middle notes create a charming and enveloping heart, which perfectly harmonizes the freshness of citrus with the depth of the forest. The fragrance concludes with the base notes of teakwood, incense, and vanilla pod. Exotic teakwood provides an earthy and robust base, while incense adds a touch of mysticism and depth. The vanilla pod, finally, confers a subtle sweetness, enriching the entire olfactory experience with a sense of calm and comfort.
