

FIEBING'S 4 WAY CARE - LEATHER CONDITIONER

Our most comprehensive cleaner and conditioner for use on leather and smooth leather.

Key Features:

- 4-Way Care preserves leather by waterproofing it and replenishing tanning oils, strengthens it by coating each leather fiber with a blend of the finest oils and waxes
- Bleaches the finish by coating it with waxes that also help resist dirt
- Cleans fine leathers, including exotic leathers, because it contains leather soaps that remove dirt and grime.
- Especially effective on leather upholstery, including leather car seats, because it leaves no residue.
