

NABERTHERM KILN TOP 45 /L

The Nabertherm Top 45/L electric kiln is a 2.9 kW single-phase model with Schuko plug, delivering 45 litres of capacity in a compact, lightweight design—perfect for hobbyists or small studios. Top-loading, advanced insulation and lockable castors ensure even firings up to 1320 °C with low energy use and easy portability. **Key features**

- Recessed brick elements for uniform heat
- Refractory brick and ceramic-fiber lining for energy saving
- Stainless-steel shell for durability and easy cleaning
- Embedded thermocouple for precise control
- Top loading with lockable wheels

Technical specifications

- Supply: 230 V, 1-phase, 2.9 kW, Schuko plug
- Chamber volume 45 L; max temperature 1320 °C
- AC590 controller: 6.8" touchscreen, 50 programs, 40 ramps, Wi-Fi/USB
- Non-carcinogenic brick/fiber insulation
- Kiln furniture set available separately
