

NABERTHERM KILN NE 140

The Nabertherm NE 140 chamber kiln (140 L) delivers even firing via three-sided heating with recessed elements; adjustable air vents speed cooling, while optimised insulation and Solar Mode cut energy use. A robust, cost-effective choice for schools and small studios working with ceramics, glass decoration and fusing. **Key features**

- Recessed elements protected in brick grooves
- Uniform three-side heating
- Stand supplied as standard
- Solar Mode & MyNabertherm app
- Attractive design, great value

Technical specifications

- AC590 controller: 6.8" touchscreen, 50 programs/40 ramps, Wi-Fi/USB
- Continuously adjustable air inlet + Ø80 mm exhaust
- Non-carcinogenic insulation, short cycles
- Photovoltaic compatibility
- Kiln furniture set optional
