

NABERTHERM KILN TOP 140

The Nabertherm Top 140 electric kiln is a 9 kW three-phase unit with a 140 L chamber firing up to 1320 °C for high-fire stoneware and porcelain. Perfect for studios and schools, it features recessed coils, ceramic-fiber insulation, lockable wheels, top loading, and Wi-Fi-enabled B500/C540 touchscreen controllers, delivering efficient firing at an excellent price-performance ratio. **Key features**

- Recessed heating elements for uniform heat
- Firebrick + ceramic-fiber lining for energy savings
- Certified non-carcinogenic materials
- Durable stainless-steel shell, easy to clean
- Embedded thermocouple for precise control
- Lockable castors and top-loading design

Technical specifications

- Power supply: 400 V, 3-phase, 9 kW, red CEE plug
- Chamber volume: 140 L
- Maximum temperature: 1320 °C (recommended \leq 1280 °C)
- Controllers: B500 (5 programs \times 4 ramps) or C540 (10 \times 20), 6.8" touch, Wi-Fi
- Construction: firebrick + ceramic-fiber; stainless shell; lockable wheels
- Accessories: kiln furniture set sold separately
