

## NABERTHERM KILN TOP 190

The Nabertherm Top 190 electric kiln is an 11 kW three-phase unit with a 190 L chamber firing up to 1320 °C for high-fire stoneware and porcelain. Perfect for studios and schools, it offers top loading, lockable wheels and recessed coils for even, energy-efficient heat, while the Wi-Fi-enabled AC590 touchscreen controller ensures easy day-to-day operation. **Key features**

- Recessed heating elements for uniform heat
- Firebrick + ceramic-fiber lining for low heat loss
- Certified non-carcinogenic materials
- Durable stainless-steel shell, easy to clean
- Embedded thermocouple for precise control
- Lockable wheels for easy movement

### Technical specifications

- Power supply: 400 V, 3-phase, 11 kW, red CEE plug
- Chamber volume: 190 L
- Maximum temperature: 1320 °C (recommended  $\leq$  1280 °C)
- Controller: AC590, 6.8" touchscreen, 50 programs, Wi-Fi "Conny"
- Construction: firebrick + ceramic-fiber; stainless shell; lockable wheels
- Accessories: kiln furniture set sold separately
