

NABERTHERM KILN TOP 100/R

Ideal for small studios and hobbyists, the top-loading Nabertherm Top 100/R 100 L kiln reaches 1320 °C with boosted power and recessed elements, delivering fast cycles, energy savings and durability via brick+fibre insulation and a stainless-steel shell, while the AC590 touchscreen controller makes programming effortless. **Key features**

- Compact top-loader design
- Recessed brick-mounted heating elements
- Energy-saving brick+fibre insulation
- Stainless-steel exterior for rugged use
- Lockable castors for easy mobility
- Non-carcinogenic materials

Technical specifications

- Chamber volume: 100 L; max temperature: 1320 °C
- Enhanced power for rapid heating
- AC590 controller: 6.8" touch, 50 programs, 40 ramps, Wi-Fi/USB
- Embedded thermocouple for precise control
- Furniture set (shelves & posts) sold separately
