

APRONS IN RECYCLED COTTON 200 G - EAT SLEEP CRAFT REPEAT

Created for those who craft with heart and hands, the Hobbyland apron with the iconic Eat. Craft. Sleep. Repeat. logo is more than an accessory: it's your everyday creative companion. Made from 100% GRS-certified recycled cotton at 200 g/m², it preserves the natural tone of the fiber and features a contrasting neckline that adds character with simplicity. The two large 45 × 20 cm pockets hold tools, brushes, spatulas, recipes or last-minute ideas, while the 1-meter back tie ensures comfort in every movement. Whether you're kneading, painting, shaping or experimenting, this apron protects your clothes and shows the world who you are: someone who lives creativity, always. **Key features**
