

CANDLE FRAGRANCE OIL - EUPHORIC PARADISE BLISS

An exotic, radiant fragrance that conjures the bliss of a tropical island at sunset. The bright, fruity opening of peach nectar, mandarin and bergamot melts into an enveloping heart of coconut water, star jasmine and palm leaves, evoking a gentle ocean breeze. The warm, creamy base of blonde woods, vanilla and salted musk rounds out the composition with a soft, lingering trail. Perfect for crafting candles that transport you to a paradise of wellbeing. **Fragrance notes**
