

CANDLE FRAGRANCE OIL - SERENE MOONLIT WAVES

A marine, meditative fragrance that captures the serenity of a moonlit walk along the shore. The sparkling, citrus opening of grapefruit, bergamot and marine accord leads into an unexpected heart of rhubarb, blue jasmine and sea breeze, delivering freshness and depth. The earthy, enveloping base of driftwood, oakmoss and liquid musk evokes the tranquillity of waves under the moonlight. Perfect for crafting candles that bring calm and introspection to any space. **Fragrance notes**
