

CANDLE FRAGRANCE OIL - BUTTERFLY GARDENS

A playful yet sophisticated fragrance that captures the enchantment of a blossoming garden alive with colourful butterflies. The lively, juicy opening of Calabrian bergamot, peach nectar and dragon fruit unfolds into a gourmand floral heart of sugared violet, raspberry and wild jasmine. The sensual, refined base of vanilla orchid, cedarwood and blonde tobacco delivers a warm, enveloping trail, perfectly balanced between sweetness and character. Perfect for crafting candles that bring joy and a touch of carefree elegance. **Fragrance notes**
