

OVAL PENDANT BAIL PURE 999 SILVER

Oval embeddable eyelet in 999 silver, designed to be inserted directly into Metal Clay pieces before firing. The pin ensures a secure hold within the object, creating a durable and functional attachment point already integrated into the finished piece. Compatible with Art Clay Silver, it can also be applied with paste and withstands firing temperatures without deformation. **Key features**

- Made of 999 silver
- Oval shape for refined aesthetics
- Pin insert for embedding before firing
- Ideal for integrated hanging points
- Can be fired with Art Clay Silver
- Can be applied with paste
