

TALENS ART CREATION ACRYLIC PAINTS

Talens Art Creation Acrylic Colors

Talens Art Creation acrylic colors offer a perfect balance between quality and price, ideal for schools, art high schools, fine arts academies, hobbyists, and art students. Available in 75 ml, 200 ml, and 750 ml formats.

- Based on reliable quality acrylic resin
- Pasty consistency with quick drying
- Silky gloss finish when dry
- Can be used straight from the tube or thinned with water
- Waterproof when dry
- Easy to mix with each other
- Dosing cap for practical use

Artistic Versatility

These versatile acrylic colors can be used on almost any surface that is somewhat absorbent and free of grease and dust:

- Canvas and paper
- Plaster and board
- Wood and stone
- Cement

The transparent tubes allow for easy color selection during use, making these acrylics perfect for artists of all levels.

What is Acrylic Paint?

Acrylic colors are pigments suspended in acrylic resin, offering unique versatility and durability. They dry quickly, are water-resistant, and maintain their vibrancy over time. Fundamental in modern art, they allow various techniques such as glazing, impasto, and collage, adapting to styles ranging from realism to abstract. Their ease of use makes them ideal for beginners and experts alike, enabling rapid experimentation and correction.
